To the holders of ordinary shares of Anglo Asian Mining PLC (the "Company").

Dear shareholder

Accompanying this letter you will find the Company's annual report and accounts for the year to 31 December 2019 together with the attached notice of the annual general meeting to be held on 23 June 2020 (the "Meeting") and a form of proxy. This letter is to explain procedure for the annual general meeting and give the background to some of the resolutions to be put to shareholders at the Meeting.

Annual General Meeting ("AGM") for 2020

In order to comply with the UK Government's COVID-19 "Stay Alert" measures which prohibits, amongst other things, public gatherings of more than two people, the AGM is being convened as a "Closed Meeting". The meeting will be convened with the necessary quorum of two shareholders in accordance with the Company's Article's of Association. Other Shareholders will not be allowed to attend on the grounds of safety and any present at the venue will be refused entry to the AGM.

Shareholders are strongly encouraged to exercise their right to vote by appointing the Chairman of the meeting as their proxy. A shareholder nominating any other person as their proxy will not have their votes counted as that person will not be allowed to attend the meeting. A reply-paid form of proxy is included with this Annual Report with its instructions. Shareholders should complete the form in accordance with its instructions and return it to the address given on the form of proxy.

The directors always welcome the opportunity afforded by the AGM to answer questions from shareholders. To ensure that shareholders still have the ability to submit questions about the business, a form has been set up on the Company's web-site (<https://www.angloasianmining.com/>) where shareholders can submit questions. Shareholders will need to submit their name, email address and the number of shares held to ask a question. Responses relevant to the business will be published on the Company's web-site in due course after the AGM.

The situation with regard to COVID-19 is fast moving and should any change be required to the arrangements of the AGM, the Company will release an RNS and publish the change on its web-site.

Background to resolutions

Resolution 3 – Re-election of the Director retiring by rotation

Under the Company's articles of association, one third of the directors of the board of directors (or, if the number of directors is not three or a multiple of three, the number nearest to and not exceeding one third) must retire at each annual general meeting and may offer themselves for re-election to the board of directors. This year John Monhemius is retiring in accordance with the Company's articles of association and is seeking re-election at the Meeting.

Resolution 4 – Declaration of a Dividend

This is an ordinary resolution to declare a dividend as recommended by the directors. The dividend is payable out of distributable profits available for the purpose and set aside by the Company for the payment of a dividend. The directors have a responsibility to examine the accounts of the Company to ensure that a distribution can be made to the shareholders without placing the Company into any difficulties.

Resolution 5 – Authority to allot shares

This ordinary resolution deals with the renewal of the directors' authority to allot new ordinary shares during the course of the year in order to facilitate the business of the Company and renews the equivalent authority granted at last year's annual general meeting which expires at the end of the Meeting.

The current Investment Association guidelines state that Investment Association members will permit, and treat as routine, resolutions seeking authority to allot shares representing up to two-thirds of the Company's issued share capital, but on the basis that any authority to allot shares exceeding one-third of the Company's issued share capital can only be used to allot shares pursuant to a fully pre-emptive rights issue.

In accordance with these guidelines, resolution 5 proposes that directors be granted authority to allot shares in the capital of the Company up to a maximum amount representing the guideline limit of two-thirds of the Company's issued ordinary share capital as at 12 May 2020 (the latest practicable date prior to publication of this letter). Of this amount, half can only be allotted pursuant to a rights issue.

The authority will expire on the earlier of: (i) the conclusion of the next annual general meeting; or (ii) 30 June 2021 (being six months after the Company's accounting reference date).

Resolution 6 – Disapplication of statutory pre-emption rights

This resolution is a special resolution that renews the authority given at last year's Annual General Meeting and which seeks to give the directors the authority to allot securities for cash on a pre-emptive basis within the limits of the authority set out in resolution 5 and on a non pre-emptive basis up to a maximum of 10 per cent. of the issued ordinary share capital of the Company. The directors believe that it is in the best interests of the shareholders that the directors should have the right to allot relevant securities for cash on a pre-emptive basis and a limited authority to allot relevant securities for cash on a non-pre-emptive basis.

Recommendation

The directors consider all the resolutions to be put to the Meeting to be in the best interests of the Company and its shareholders as a whole and are most likely to promote the success of the Company for the benefit of its shareholders as a whole. Accordingly the directors unanimously recommend that you vote in favour of the proposed resolutions, as they intend to do in respect of their own beneficial shareholdings.

Yours faithfully

Khosrow Zamani
Non-executive chairman

 - (b) otherwise than pursuant to sub-paragraph (a) of this resolution up to an aggregate nominal amount of £114,392†,

and provided that this authority shall (unless previously revoked, varied or extended by the Company in general meeting) expire on the conclusion of the Company's next annual general meeting or, if earlier, 30 June 2021 save that the Company may, at any time before such expiry make an offer or agreement which would or might require equity securities to be allotted (or in the case of Treasury Shares, sold or transferred) after such expiry and the directors may allot (or in the case of Treasury Shares, sell or transfer) equity securities in pursuance of any such offer or agreement notwithstanding that the power conferred hereby has expired.
